

### ODORVAULT™, THE PRODUCT AND ITS PURPOSE:

**OdorVault™** is a revolutionary new product that is designed to absorb the worst odors! The **OdorVault™** can be placed onto or near any surface, such as: trash cans, bio-hazard bins, fume hoods, cabinets, shelves, and refrigerators, etc. There are three options to choose from when purchasing the **OdorVault™**. The **OdorVault™** Formalin, which is great for formalin odors, the **OdorVault™** Xylene for xylene vapors, or the **OdorVault™** Organic, which is perfect for all other foul odors.

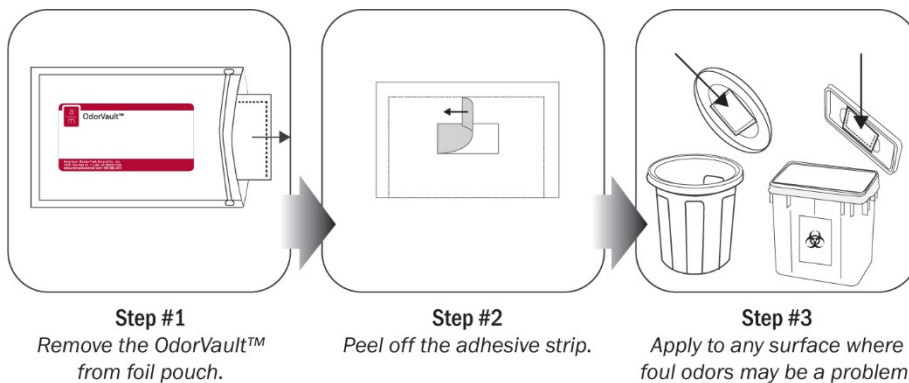

### ODORVAULT™, INSTRUCTIONS FOR USE:

The **OdorVault™** can be used in two ways: with a box or with an adhesive strip that can be attached to any surface. Make sure to clean the surface where the **OdorVault™** will be placed.

#### OPTION #1: ODORVAULT™ BOX:

#### OPTION #2 ODORVAULT™ ADHESIVE STRIP:

### ODORVAULT™, PRECAUTIONS:

Store the **OdorVault™** at room temperature away from direct sunlight. Do not open the contents of the **OdorVault™** bag. **OdorVault™** can't be used in areas that are wet, damp, or exposed to high temperatures/high humidity. The minimum temperature to which the **OdorVault™** Adhesive Strip can attach to is 10°C. The adhesive strip strength may be weakened by excessive re-positioning or hand contact. Do not adhere to objects that may break easily.

**ODORVAULT™, DISPOSAL:**

Peel away the **OdorVault™** slowly or remove from the box and place it back into the foil pouch that it came in. Discard it as industrial waste. If adhesive residue remains on the surface, wipe it off with an adhesive cleaner.

**ODORVAULT™, STABILITY:**

The **OdorVault™** will last up to three months.
